

Transport bottles, cases or pallets anywhere, anytime

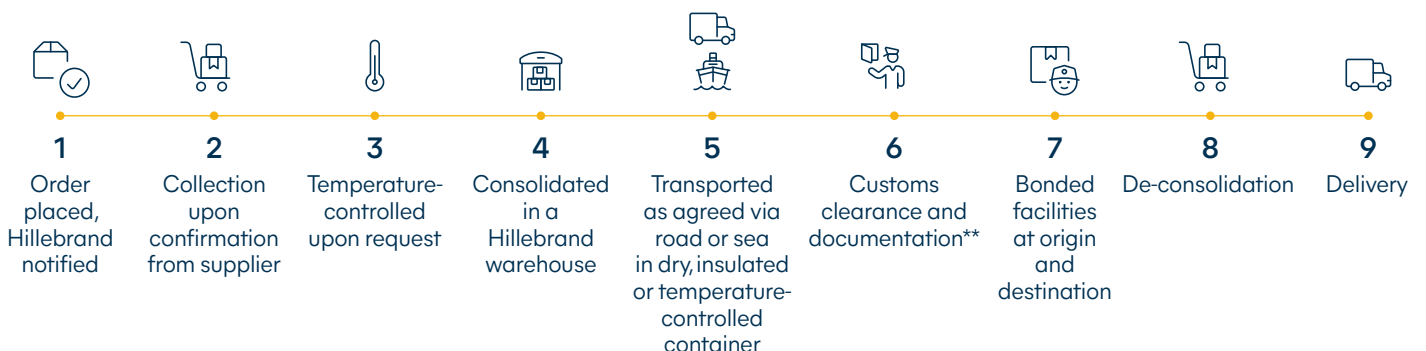

Hillebrand groupage services offer frequent departures to ship small volumes on multiple shipping routes so you can maintain a lean inventory, manage cash-flow better and preserve quality and freshness of your beverages.

Our hubs in Europe, Greater China and Asia are strategically located near the main markets, ports and roads to better serve you and reduce time leads.

Hillebrand groupage services benefits

Beverage-only services	Insulated and refrigerated options to protect against thermal shocks, bad smells and humidity and cross-contamination
Any transport mode	Packing and storage safeguards
End-to-end service	From multiple suppliers or warehouses to customer
Prompt collection	Live shipment visibility through myHillebrand
Temperature-controlled collection and warehouses*	

Hillebrand end-to-end groupage services
