

Keg leasing with built-in tracking & lease buyouts

KegFleet is the Hillebrand keg-leasing program with high quality custom branded stainless steel kegs with built-in tracking, at no extra charge.

Determine the right size of fleet to expand your business.

KegFleet benefits

High quality kegs from certified keg manufacturers

Favorable lease-to-own options

Laser-etched barcodes, ready to scan for KegID tracking

Fleet buyouts and leasebacks, with keg refurbishing and rebranding

Custom branded with your brewery name and /or logo

When to use Hillebrand's KegFleet?

You are building or expanding your brewery

You plan to open a tap room

You are positioning to move into distribution

You are looking for a lease program that has better terms

You can't afford to buy a dedicated fleet yet
